

PROF MELISSA CHAN EDUCATIONAL WORKSHOP

In conjunction with MACRO 2026

In recognition of the significant contributions of the late Professor ChM Dr Mellisa Chan to IUPAC Polymner Division and IKM, particularly in the field of polymer science, IUPAC Polymer Division and IKM have jointly established the Melissa Chan Memorial Educational Workshop.

SPEAKERS

Speaker 1 : Prof Elizabeth Gillies

Western University, Canada

Title: Processing of low Tg stimuli-responsive polymers:
Achieving useful properties for applications

Speaker 2 : ChM Dr Eng Aik Hwee

K&W Training & Consulting, Malaysia

Title: The Hidden Craft: Inside the Rubber Glove Production Process

Speaker 3 : Prof Dr Dong Gi Seong

Pusan National University, Korea

Title: Process Design of Polymer Composite Fabrication

28 July 2026 (Tuesday)

8:30 AM – 12:00 PM

Perpustakaan Tun Abdul Rahman Ya'kub
(PeTARY),
Universiti Malaysia Sarawak
